VIT - A PLACE TO LEARN; A CHANCE TO GROW

VIT – A PLACE TO LEARN; A CHANCE TO GROW

VIT[®]
B H O P A L
www.vitbhopal.ac.in

Dr. G VISWANATHAN

Founder- Chancellor of VIT University

The VIT legacy, which started from Vellore Engineering College 35 years ago to four Universities in India, today, is a result of constant efforts to impart high quality of education. The Govt. of India has recognized VIT as No. 1 Private Institution for Innovation, ARIIA 2019, and the recent recognition, as an Institution of Eminence, has paved a way to focus more on research with international collaborations to move up in the global ranking and contribute in the capacity building of our nation.

VISION

We at VIT University will impart futuristic technical education and instil high patterns of discipline through our dedicated staff, who shall set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

MISSION

Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so that they become enlightened individuals, improving the living standards of their families, industry and society. We will provide individual attention, world-class quality education and take care of character building.

VIT – A PLACE TO LEARN; A CHANCE TO GROW

Mr. SANKAR VISWANATHAN
Vice President

Not a single one of us here today has done it alone, we are each a patchwork quilt of those who've loved us, been with us, told us the truth even when it was not easy to hear, told us we could do it when there was absolutely no proof of it. Thankful to all the steps and missteps that have made this possible. ADVITYA 2023 has been a journey.

Through all the sunshine and midnight rain, the lions of VIT Bhopal University never lost sight. ADVITYA'23 was far beyond perfect. It was all colours in one, at full brightness. There was a dazzling haze, it was golden like daylight. Behind this amazement was the great passion and zeal of all those who've worked throughout their days and made it such an enormous success in very little time making me understand a very old saying, "To achieve great things, two things are needed: A Plan and not quite enough time"

Ms. KADHAMBARI S. VISWANATHAN
Assistant Vice President

I can see it now, the crimson sun in the distance, crowds of people with eyes fixated on the center stage, the quiet yet resonating buzz of excitement and obviously the nervous yet enlivened thespians. I'm enjoying every minute of it. I've seen every minute of the hard work and turmoil hidden behind. I've seen it grow from scratch, build, refine, polish and finally become ADVITYA 2023.

The months, weeks and days of hard work was summed up via a journey of seventy-two hours, and it was indeed one of the best summations I've witnessed in my life. The three days of delight made the long week of plodding all worth it. Having witnessed every moment of it, I want all of you to have a glimpse of the craziness of ADVITYA 2023.

VIT – A PLACE TO LEARN; A CHANCE TO GROW

Dr. U. KAMACHI MUDALI
Vice Chancellor

Productivity is never an accident. It is always the result of a commitment to excellence, intelligent planning, and focused effort, and this had been a productive journey. The most enthralling part of this journey for me was seeing the ignited minds peering their limits, circum-widening their boundaries. Now if those days flash upon my inward eye asking which is the bliss of solitude, my heart fills with pleasure and pride, ADVITYA 2023 being the reason? Not really. The staff, students' and everyone's commitment to excellence to make ADVITYA 2023 the reason.

Dr. A. SENTHIL KUMAR
Pro Vice-Chancellor

The most awaited moment is within touching distance now. As I enter the gates, I recall the moments of absolute drudgery but seeing the elation in the crowd, even the most pessimistic people would brim over with zest. Not saying it made me forget the toiling, but it made me proud of it. The three days event included everything from tech-buzz to entertainment, fun games, dance, music and the list goes on and on and to add further spice to the occasion was the final day of ADVITYA 2023.

Dr. PRADYUMNA YADAV
Registrar

We kept dreaming, we kept working, Without leaps of imagination, or dreaming, we lose the excitement of possibilities. Dreaming, after all, is a form of planning, and making dreams come true, that's exactly what the students at VIT Bhopal University do. ADVITYA 2023 was no less than the most beautiful dream which has no other way or presentation but to live it. Trying to give you all a blurry coup d'œil of THE ADVITYA 2023.

OFFICE OF STUDENT WELFARE

Dr. J. GEORGE CHELLIN CHANDRAN
Director Student Welfare

The three days of the momentous event weren't just three days alike. They were all different yet holding the same ethics. From tech competitions to fun-feuds, from cultural shows to dynamic centerpieces, from games to sports, from melodies to waltz... it was the most delightful mixture having a little of everything accepting all the setbacks, they kept moving and when they staggered, the faculty, staff and all others tightened their grip with a final crunch of the most gorgeous voice ever heard of our guest in Pro show

Dr. ANANT KANT SHUKLA
Assistant Director Student welfare

Dr. MANISHA SINGH
Assistant Director Student Welfare

INAUGURATION

The fourth intra-university techno-cultural fest was inaugurated on February 8, 2023, at the football ground in VIT Bhopal University and the annual association of Indian universities was interested in the event this year to invest in the institute of technology and sciences. **Dr. V. Vijaya Kumar**, vice chancellor of National Law Institute Bhopal, was the chief guest, and in his speech, he emphasized the democracy of learning and informed the audience that the role of teachers in the 21st century is not only confined to academics but also to increase students' participation in extracurricular activities. **Dr. U. Kamachi Mudali**, vice chancellor of VIT Bhopal University, welcomed the dignitaries and the participants and also outlined the objectives of the Indian universities cultural fest, which are to promote national integration and communal harmony. **Dr. A. Senthil Kumar**, pro vice chancellor of VIT Bhopal University, shared the vision of **Dr. G. Vishwanathan**, our respected chancellor, who stated that "every man is born with innate talents, and the youth festival is the cultural platform to bring forth those talents".

Dr. J. George C. Chandran, Director of Student Welfare in his speech, stated that everyone has the potential to give back to society, and he also appreciated the opportunities provided by the University and said if you don't know where you came from, you don't know where you will be going. He collected this saying with the information that everyone should respect the culture and give due importance to our traditions. Advitya'23 is the right forum to propagate our traditions and culture. He shared his experience during his visit overseas when he came across other nations presenting their cultural shows with patriotism. Another side, dance performances and Sargam organized by the VIT Bhopal University music club was displayed amidst cheers from the audience. **Dr. Pradyumna Yadav**, Registrar of VIT Bhopal proposed the vote of thanks, and the inauguration ended with the national anthem.

The Advitya'23 sports Fest of VIT Bhopal University that started from 3rd February to 7th February saw thousands of participants indulging in competing sports activities like cricket, football, basketball, volleyball ,chess ,table tennis,Badminton, Power lifting and kabaddi etc under the guidance of our Sports officer **Dr. Prashant Tiwari** . The sports fest has showcased a fair amount of competition and given the participants many moments to cherish ,equipped with latest innovations and technology and expansive play fields.

The University has grown from strength to strength with an efficient team and a dedicated faculty. University has an infrastructure conforming to global standards where academics are beautifully complicated with the opportunities for sports. All the sports events organized beautifully by our sports student cordinators(s) Sudhanshu Ranjan (20MEI10047), Prashant Sharma (20BCE10977), Aman Raj (20BCE11001), Sarthak Dubey (20BAC10007), Vishal Singh (20BCE10934), Raghuveer Singh Chouhan (20BCE11055), Ashutosh Bhaskar (20MIM10009) under the guidance of our respected sports officer **Dr. Prashant Tiwari**.

CRICKET

In Men, Winner is Team Mavericks, under the leadership of Captain Naman Purkarand, runner up team is Team Blackhawks under the leadership of Captain Pranjal Tiwari.

In women, Winner is Team Gladiators, under the leadership of Captain Shailvi Bajpai and runner up team is Team Winning Wavesin under the leadership of Captain Goldy Gour.

KABADDI

In Mens, The winners team did wonders under the captiancy of Vivek Shahi.

In Women, Taruna Gupta(c) and team played well.

FOOTBALL

In Men, Winner is Team Core-A, under the leadership of Captain Ajay Kishore and runner up team is Team Specialization-B under the leadership of Captain Fahad Usmani.

In women, Winner is Team Pheonix, under the leadership of Captain Kanak Maheshwari and runner up team is Team Aztec under the leadership of Captain Parinati Gaur.

THE SPORTS FEST

BASKETBALL

In Men, Winner is Team Elite Ravens, under the leadership of Captain Swastik Pattnaik and Ashutosh Bhaskar, runner up team is Team Swiss Kebabs under the leadership of Captain Chakshu Bhardwaj.

In women, Winner is Team Court Queens, under the leadership of Captain Mugdha Mishra and runner up team is Team D-Fence under the leadership of Captain Palak Gupta.

BADMINTON

Winner is Team Arrow, under the leadership of Captain Anirudh and runner up team is Team Mudit in under the leadership of Captain Mudit.

TABLE TENNIS

In Men, Winner is Rohan Singh, and runner up is Tanmay Meda.
In women, winner is Neelakshi Choudhary and runner up is Divya Tiwari

CHESS

In Men, Winner is Team Sonic, under the leadership of Pratham, Amit Singh, and runner up team is Team Blunder Champs, under the leadership of Alok Khansali.

THE SPORTS FEST

VOLLEY BALL

In Men, Volley ball team Championship Winner is Team All stars, under the leadership of Captain Prithvi Narayan Singh and runner up team is Team Defenders under the leadership of Captain Mayank Bhawnani.

In women, Winner is Team Skippers, under the leadership of Captain Aishwarya Tripathi and runner up team is Team Court Queens under the leadership of Captain Romika Rao

POWER LIFTING

In Men, the participation of lifting started from 55 Kgs to 75Kgs. In women, the participation of lifting started from 45 Kgs to 65 Kgs.

THE SPORTS CHAMPIONS

The sports prize distribution ceremony is always an occasion to celebrate the achievements of people who have attained excellence in spheres of academics and co-curricular. Felicitating the achievers not only serves to motivate them to surpass their own performance but also spurs on their peers to attain similar heights. Our Annual Sports fest Prize Distribution Ceremony was held on 8th February 2023 by our respected Chief Guest Dr. V. Vijaykumar, Vice Chancellor of National Law Institute Bhopal with Dr. U. Kamachi Mudali, Vice Chancellor of VIT Bhopal University and Pro Vice Chancellor Dr. A. Senthil Kumar and Registrar Dr. Pradyumna Yadav.

TECHNICAL EVENTS

E-Com Thon

Organized by:-E-Commerce club
Faculty Coordinator:- Mr.R.Sukumar

The E-Commerce Club started their event E-Com Thon with an inauguration by Dr. Jai Singh W. and Dr. Sukumar at 9:30 AM. The event consisted of three rounds. Round 1 was a quiz round with ten questions about e-commerce and entrepreneurship fundamentals. Round 2 was a pitching round where participants presented their business models and life-changing ideas. The judges, Dr. S. Pon Harshavardhanan, Dr. Hariharan, Mr. Nikhil Pateria, and Dr. Supen Kumar Shah, evaluated the pitches.

In Round 3, participants tackled practical loopholes and real-life problems. The teams were visited by Dr. S. Poonkuntran, Dean, SCSE.

The event concluded with Dr. Jai Singh sharing insights about the E-Commerce Club and announcing the winner, who were felicitated by Dr. Pon Harshavardhanan. The event ended with a vote of thanks by the student coordinator, Miss M. Karuna Shree.

There were total 36 participants who were divided in 8 teams.

SNAPCHAT LENS STUDIO WORKSHOP

Organized by:- Health Informatics Club

Faculty Coordinator:- Dr.Swagat Kumar Samantaary

Faculty Co-Cordinator:- Dr. Ashok Kumar Patel

The event, "Lens It Up," was conducted as a part of AdvITya'23, and aimed to educate students about the creation of Augmented Reality (AR) filters and lenses on platforms like Snapchat. The event was divided into two stages- the learning stage and the assignment stage. During the learning stage, participants were taught how to create lenses and geofilters using Snapchat AR Studio.

The workshop was conducted by Bhavyajot Singh Chaddha, an expert trainer in building AR lenses who has conducted numerous workshops on the topic. After the workshop, participants were given one day to create their own Snapchat filters and participate in the "Lens Making Competition," which had a theme related to AdvITya. The submission of the assignment marked the end of the second stage of the event. The event provided students with a unique opportunity to learn about the world of AR and sharpen their creative skills in lens making. By participating in the competition, students were able to showcase their abilities and compete with their peers, making the event an engaging and interactive experience for all. Winner of the event is Harshita Seth 20BCE10361

Organized by:-Health Informatics Club

Faculty Coordinator:- Dr. Swagat Kumar Samantaray

Faculty Co-Cordinator:- Dr. Ashok Kumar Patel

THE TECHTRIX

The event was designed with the aim of entertaining and educating the participants and audience. It consisted of three stages, with the goal of reaching the grand finale.

The first round of the event was the Whisper Challenge, where participants had to guess words or phrases by lip-reading while wearing noise-canceling headphones. The second round was the Pyramid Scheme, where participants had to build a pyramid with cups in a limited time. The last

and final round was the Kaun Banega Luckpati, a quiz competition that tested the participants general knowledge.

Winners:

1. Khushi Shivae (22BSA10043), Ashu Kumar Nanda (22BA10180) , Kaushal Aknurwar (22BCG10055)

2. Aryan Kumar(22BCE11389) , Antariksh(22BCY10168) , Fateh Inder Singh (22BCE11276)

3. Vipransh Anand (22BCE11174) , Aadit Singal (22BA10074), Piyush Shivnani (22BCE11185)

CODE GARUDA

Nation level Code Hackathon

Organized by-
Microsoft Technical
Faculty Coordinator(s)-
Dr. Hariharasitarama. S
Dr. Nithin Kumar Mishra

Microsoft Technical Club Organized a nationwide code hackathon called 'Code Garuda' during the day 3 of AdvITYa'2023 techno cultural fest. There were 45 participations, who contested for first two places.

Dr Paras Jain- Associate dean Academics inaugurated the event , followed by lighting the diya and delivered the felicitation address.

The winners of the hackathon event are Mr Alok Khansal (20BAI10347) and Nikhil Rana (20BCE11086). Dr. Debashish Adhikari Dean of Faculty affairs and SEEE, Dr. Pookuntaran- Dean of SCSE gave the winners the trophies and certificates to the participants. Two workshops were organized for the club members on the topic chatGPT and NodeJs Crypto . The Workshops were conducted by the club peers and facilitated the club members with a better understanding on the recent technology. Dr. Hariharasitaraman S and Dr. Nithin Kumar Mishra, Faculty Coordinator -Event Convenor and Mr. Divyansh Ojha Student Coordinator did all the arrangements and honoured the dignitaries with mementoes. With the Vote of thanks the Hackathon came to end.

PROBLEM SOLVING CONTEST

Organized by:-CloudZone Club

Faculty Coordinator:- Dr. Virendra Singh Kushwah

The competition consisted of three rounds, with 22 teams consisting of 44 students participating. The first round had 10 multiple choice questions (MCQs), and 18 students (9 teams) qualified for the next round.

The second round had 20 MCQs and 10 coding questions, where some of the students filtered out and reached advanced to the final round.

Finally, the third and last round was entirely dedicated to coding questions, where students from all branches performed so well and extraordinary and given a valuable remark of being a VITian.

Overall, the competition appears to have been challenging, and the students who qualified for the next round demonstrated their knowledge and skills in the first round.

TECH MYSTERY

Organized by:-Coding Club
Faculty Coordinator:- Dr.S.Aanjan Kumar

The event involves participants exploring a mysterious room to uncover clues that lead to the culprit behind a devious deed. The participants must use their technical skills, wits, and judgement to solve the puzzles and decipher the clues hidden in the room.

The challenge is to solve the mystery and catch the culprit within a limited time frame. The event features multiple endings, each leading to a different scenario, providing a unique and challenging experience for the participants

With the pressure of the clock ticking, the participants must work together to solve the mystery and save the day. It's a thrilling and engaging experience that will test their problem-solving skills and critical thinking abilities. The winners of the events were:

Mahika Agarwal 20BAI10101 | Nikhil Kumar 20BAI10275 | Sahil Arora 20BAI10264

1st Runner up: Shield- Yash Arya 22BCY10170 | Aryan Bari 22BSA10161 | Harsh Shukla 22BCE10463 | Akshat Jain 22BCY10098

2nd Runner up: Vision X- Amustha Shrivastava 22BSA10293 | Shishir Agarwal 22BCE10771 | SK Sahil Islam 22BCE10440 | Rushikesh Raut 22BCE10965.

Cy-VITya

Organized by:-OWASP Club
Faculty Coordinator:- Dr. D Saravanan

The OWASP Cy-VITya event was a resounding success, with a large number of participants joining through Zoom and YouTube. The event featured a keynote address by Urvesh Thakkar, which was highly anticipated and well-received by the audience. The speaker shared valuable insights and knowledge with the audience, keeping them engaged and impressed throughout. The Treasure Hunt Competition was also a hit among participants, who tested their skills and knowledge.

Overall, the feedback from participants was overwhelmingly positive, highlighting the success of the event. The event was a great initiative by OWASP and contributed to the skill-building and professional development of the participants.

The winners of the event were

1. Saksham Mehta - 21BCE105262.
2. Aman Kumar Singh-22BCY102583
- 3 Jayant Rawat - 20BCE10739.

ML TALKS

Organized by:- Google Developer Student Clubs (GDSC)
Faculty Coordinator:-Dr. Kamlesh Chandravanshi

The event aimed to educate attendees about data collection, web scraping, and related tools. The event covered key topics such as Chat GPT, TensorFlow, selenium, Kaggle, and BS4. The speakers provided an introduction to TensorFlow, its roadmap, and the TensorFlow exam. They also explained selenium and the GitHub repository, limitations of Kaggle, alternatives to Kaggle, implementation of BS4, and types of data.

The Q&A session provided an opportunity for attendees to ask questions and receive further information from the speakers. The event was successful in helping students become proficient with the tools and gain insights into data collection. The speakers were knowledgeable and provided valuable information, making the event engaging and informative. Overall, the event provided a great learning opportunity for attendees.

UckersTerra was a successful event that aimed to promote inclusivity and enhance brain activity through an inter-branch/inter-college competition. With 82 teams and over 300 participants, the game was highly competitive, with players eager to win gold medals.

UCKERS TERRA

Organized by:
Ramanujan Mathematica
and SAP Club
Faculty Coordinator(s):
Dr Bhumika Choksi
Dr. Neetu Kalra

The event was a great achievement, with many smiling faces in the venue. At last the medals were awarded, Branch CSE core received the most, with 41 gold medals in total. The event was a great way for participants to learn the value of competition, teamwork, and sportsmanship. Overall, UckersTerra was a fantastic opportunity for students to come together, have fun, and foster a sense of community and belonging.

The AI-based hackathon was an event where teams participated and built projects based on their own chosen theme. The event required teams to prepare a presentation on their project or solution, and they were provided with constant mentorship from our team members. The participants were graded based on their level of creativity and innovation, and the winners of the competition received exciting prizes, including trophies and INR 6,000.

HACK EXCHANGE

Organized by:- AI Club
Faculty Coordinator:-Dr Mayuri AVR

The hackathon encouraged participants to work on their skills and knowledge in AI and provided them with an opportunity to showcase their creativity and innovation in the field. The mentorship provided by our team members helped the participants to build their projects with guidance, and the judges graded the projects based on their quality and creativity. Overall, the event was a success, and it helped the participants to gain knowledge and experience in AI-based projects. The winners of the event:
Shreyash Mohadikar – 20BAI10283
Yash Ukalkar - 20BAI10197
Sudhanwa Bokade – 20BAI10302
Malhar Desai – 20BAI10378

Organized by:- Fraternity of Young Innovators
Faculty Coordinator:- Dr. Siddhartha Maiti

DOWN TO A SCIENCE

The event consisted of three activities: treasure hunt, poster design, and Pictionary game. The treasure hunt was a team activity in which students had to search for hidden clues in a specific area. The teams comprised 3 to 5 members. The aim of the treasure hunt was to encourage team building, problem-solving skills, and healthy competition among students.

The poster design activity was an individual task where students had to create a poster on an A4-size paper or in an online mode using their own materials. Students were given complete creative freedom, and the poster could be on any topic. This activity aimed to stimulate students' creativity, imagination, and artistic abilities.

The Pictionary game was a team activity where students had to sketch an image on a whiteboard provided by the organizers. Teams of 3 to 5 members were allowed to participate in the game. The aim of this activity was to enhance students' communication, collaboration, and teamwork skills while also encouraging their creativity. Overall, the event was designed to promote teamwork, creativity, problem-solving, and communication skills among the students. It allowed them to think creatively, work together as a team, and participate in healthy competition. The event was a success, and the students had a great time participating in the activities. There were total 107 participants and the winners were

Treasure Hunt Winners ,Chetan Garg 20MIM10146 ,Raj Mansuria 20MIM10147 ,Piyush Kumar Sahajwani 22MEI10072. Pictionary Winners , Aishwary Singh 22BCE11525 , Simar Singh 22BAI10012 , Sarthak Sambhav 22BSA10162, Poster Making Winner, ishita Agarwal 20BCE10239

IoT UNLEASHED

Organized by:- IoT Club
Faculty Coordinator:- Dr. Ankur jain

On the second day of the AdvITya techno-cultural fest, the IoT club hosted the event IoT Unleashed. The event began with the lighting of lamps by the chief guests Dr. Laxmi D. and Dr. Prasad. Ankur Jain shared his knowledge and experience with the attendees, followed by Akshat Sinha (Student Coordinator) and Uday Rajput (Technical Team Lead).

A challenge was held to test the knowledge of students in the field of IoT, and a hands-on session was conducted, allowing students to showcase their ideas in the form of projects. The event also featured a guitar performance,

The event was a great opportunity for budding researchers and technology enthusiasts to come together and exchange ideas. The participants were given physical participation certificates and refreshments to acknowledge their efforts and to keep them energized throughout the event. Overall, the event was full of fun and excitement, and it provided an excellent platform for students to showcase their skills and knowledge in the field of IoT.

The successful organization of the event was made possible by the hard work.

AdvITya 2023

CY-HUNT

Organized by:- VIT Bhopal Cyber Warriors Club
Faculty Coordinator:- Dr. Azath H
Faculty Co-coordinator:- Dr. Prabhu. M

CWC-CyHunt is a technical event that tests teams' knowledge and skills in cybersecurity. The event covers various essential topics such as cryptography, blockchain, gaming security, and cloud security. The competition consists of two phases, with the first phase being a qualifier round where 20 teams participated. Out of the 20 teams, 15 qualified for the second phase.

The second phase of the competition started at 1:30 pm and involved six vulnerable machines. The participating teams had to find bugs and vulnerabilities in the machines, exploit them, and then gain access to the system. The teams were awarded points based on the level of access they could gain. Team-3 was the first to take partial access to the machine and was awarded 10 points. Half an hour later, Team-6 gained complete access to the first machine and received 50 points. After 10 more minutes, Team-6 gained root access and increased their score to 70 points, ultimately being declared the winners of the competition. Team-3 was the runner-up, having gained partial access to the machine earlier.

The winners are- 1st prize: ₹1200 Amazon Voucher, Shanu shekhar giri, Ujjwal kaul, Vansh malhotra, Pranav Chaturvedi. 2nd prize: ₹800 Amazon Voucher Tuhin Bose, Sanskar kumar burman, Anant Bhartiya, Aadil Haidar Ali.

STOCK OVERFLOW

Organized by:- Data Science Club
Faculty Coordinator:- Dr. Abha Trivedi

Stock Overflow was a hands-on workshop that focuses on using machine learning (ML) and deep learning (DL) techniques for stock price prediction. The workshop objective was to teach students the fundamentals of data science techniques and how to apply them to real-world problems. Participants have learnt the basic concepts and techniques of stock market prediction, including data preprocessing, feature engineering, and model selection. The workshop provided hands-on experience by allowing students to work with real-world stock marks data set.

By the end of the workshop, participants were able to apply the ML and DL techniques they learned to analyze and predict stock prices. The workshop was an excellent opportunity for students to gain practical experience in data science and developed skills that are highly relevant to the finance industry.

Overall, the Stock Overflow workshop offered a valuable learning experience for students interested in data science, finance, and investment, providing them with practical skills that can be applied to real-world problems.

chAI PE CHARCHA

Organized by:- AI Club
Faculty Coordinator:- Dr. AVR Mayuri

The AI Tea Time event at VIT Bhopal aimed to bring together experts and audience members to discuss the latest developments in the field of Artificial Intelligence (AI). The event started with a warm welcome from the organizers, followed by a small quiz for the attendees, with the winners receiving gift hampers from the WaghBakri Tea Group. The event included discussions on various aspects of AI, from getting started in AI to landing a job in the field.

Expert speakers shared their insights and experiences with the attendees, which included students and professionals interested in AI. Sneha Sarkar, Abhishek Kumar, and Disha Kadkar were some of the notable attendees present at the event.

Overall, the AI Tea Time event was a great opportunity for attendees to learn and network with experts in the field of AI while enjoying a cup of tea. The event provided a platform for attendees to enhance their knowledge and skills in the rapidly evolving field of AI.

AI BREAK DOWN

Organized by:-AI Club
Faculty Coordinator:- Dr. AVR Mayuri

The comedy-themed event focused on technology and AI bloopers and failures. The aim was to bring together tech enthusiasts and professionals to share their funniest moments and biggest blunders in the field. The event was also an opportunity for the audience to take digs at the presenters.

The event included delicious snacks, which added to the fun and laid-back atmosphere of the event. The participants were encouraged to share their stories and experiences, which kept the audience engaged and entertained.

Overall, the event was a fun and lighthearted way to bring together people interested in technology and AI. It provided a space for people to share their experiences and learn from each other, all while enjoying some delicious snacks and good company.

A.I
BREAKDOWN

Even computers go
through breakdowns!

TECH ZILLA

Organized by:- Mozilla firefox club

Faculty Coordinator:-Dr. A Balaji

Faculty Co-coordinator:-Dr. Suresh Dara

Techzilla 2023 was a two-day hybrid tech event that kicked off with an opening ceremony attended by 50-60 students and faculty coordinators Dr. A. Balaji and Dr. Suresh Dara. The first day featured an inspiring talk by Prateek Narang, co-founder of Coding Minutes, who shared insights on how to improve and achieve personal goals. The day ended with a fun and engaging Kahoot! quiz that brought the participants together.

The second day of the event started with a hilarious performance by comedian Kaif Khan, which set a light-hearted tone for the rest of the day. Throughout the day, various panel discussions and workshops were held on topics ranging from artificial intelligence to entrepreneurship, providing valuable insights for the attendees. The event came to a end with a fantastic gaming session which bought out the creative side of the participants and showcased their quick thinking and problem-solving skills.

Overall, Techzilla 2023 was a great success, with enthusiastic participation from both the online and offline end.

CIRCUIT WIZARD

Organized by:-Robotics Club
Faculty Coordinator:- Dr. Shiv Manjaree Gopaliya
Faculty Co-cordinator:-Dr. Ribu Mathew

The Robotics Club organized an event called "Circuit Wizard", which was a workshop and hands-on session on Arduino and Tinkercad. The workshop aimed to provide participants with a glimpse of the world of robotics using Arduino. The event covered several topics, including an Introduction to Arduino, an introduction to sensors and modules as well as hands-on experience with Arduino, and Tinkercad softwares.

Participants were able to learn the basics of programming and electronics by working with the Arduino and Tinkercad software. They also gained knowledge about different sensors and modules used in robotics. The workshop was interactive, with participants getting a chance to ask questions and work on their own projects with the help of experts. Overall, the event was an excellent opportunity for participants to explore.

AAROHAN

Organized by- Entrepreneurship Cell
 Faculty Coordinators:- Dr. Bhakti Parashar
 Faculty Co-coordinator:-Dr. Margatharajan

Arohan was a comprehensive business event that consisted of three significant events - a Business Model Canvas Competition, The Business Hunt, and The Business Talk by Rakhi Pal. The event had started with registrations for the competition and the business talk on January 21st. The Business Model Canvas Competition was conducted online, and the results were announced after the judging process. The top five teams of the competition were then invited to participate in The Business Hunt and attend the expert business talk by Rakhi Pal at no cost. The Business Talk was one of the highlights of the event, with esteemed chief guests delivering the talk, and it was well-received by the attendees. The talk proved to be highly effective in the corporate and business fields, providing valuable insights to the participants. The Business Hunt was a fun-filled event where teams had to solve interesting and challenging clues to win. All the teams gave their best to emerge victorious in this part of the event. Overall, Arohan was an exciting and engaging business event that provided a platform for participants to showcase their skills, gain valuable knowledge, and network with industry professionals. It was a great success and left participants and attendees eagerly looking forward to the next edition of the event

DIGITAL GRAFFITI

GAMERS ASYLUM 3.0

Organized by:-VR and Gaming Club

Faculty Coordinator:- Dr. Monoj Kumar Muchahari

VRGC Gamers Asylum was an LAN eSports event hosted by VIT Bhopal University. The event featured a tournament of the game title "VALORANT," an online 5 vs 5 tactical shooter game that is widely regarded as one of the best PC games currently available. The event aimed to help students explore the growing eSports scene in India and provide an opportunity for passionate students to showcase their skills and reach new heights.

A total of 20 teams have competed in the event, battling it out for the top spot. The event been an excellent opportunity for students to engage in competitive gaming and develop their skills in a fun and challenging environment. It also provide a platform for students to meet and interact with other like-minded individuals who share a passion for gaming and eSports.

Overall, the VRGC Gamers Asylum LAN eSports event was an exciting and engaging experience for all participants. It provided an excellent opportunity for students to showcase their skills, meet new people, and have a great time in a fun and competitive atmosphere. The event was a great success and will likely inspire future events of a similar nature.

The event held on February 9th, 2023, at AB406 was a captivating and thrilling experience. The event consisted of a competition where teams of two members each participated in three rounds: Dumb-Charades, Scribble, and pattern programming. The first round involved acting out movie titles generated by a Linux application, where teammates needed to guess the names within three minutes. In the second round, participants had to sketch and guess, while the third round focused on generating fun asterisk patterns to test programming abilities. .

THE FORAGERS 2.0

Organized by:-D2C Igniters Club
Faculty Coordinator:- Dr Subhash Chandra Patel

Foragers 2.0 was a two-day long event organized by the Igniters Club and Insights Club of VIT Bhopal. It was a treasure hunt divided into two rounds. The first round was the scavenger hunt, where 42 teams participated. Each team was provided with a bunch of tasks that they had to complete in a 1 hour, 15-minute window. The tasks ranged from collecting items to performing simple tasks. During the scavenger hunt, there was confusion and awe among the teams, as the collectibles were not so simple.

The teams had to decide amongst themselves who would perform the bizarre tasks. The top 8 teams with the highest points would qualify for the classic Treasure Hunt, which was the final round. After the scavenger hunt, the teams dispersed. The teams were given their first clues after performing a few warm-up exercises. The teams, were running from one corner of the university to the other, fumbling upon the words of the clues.

Finally, Team 2 was the first team to reach the final destination and burst the party popper as a symbol of completing the hunt. Two other teams figured out the last clue as well, but sadly they were just a few seconds late. The event ended on a great note, with the teams reporting back to the MPH, where the winners were welcomed with parties and colored poppers.

The winners was Team 18(Sum 6), and team members were, Manisha Singh, Tulika Basu, Shreya Dutta, Asmita Agarwal, Devansh Jaiswal.

THE FOOD TRUCK

Organized by:- Cooking and Feasting club
Faculty Coordinator:- Dr. Yogesh shukla

The "Food Truck" event is a platform provided by the "Cooking & Feasting Club - VIT Bhopal" that allows students to showcase their expertise in cooking and business, team coordination, leadership, and stall management skills. The event provides an opportunity for students to develop and demonstrate a range of essential skills that are crucial to succeed in the culinary industry. Through this event, the students can gain practical experience in managing a food stall, preparing and serving food to customers, and working collaboratively as a team. Overall, the "Food Truck" event is a great initiative that provides a valuable learning experience and prepares students for future success in the culinary industry.

BUSINESS MODEL

Organized by:- BIZ-WHIZ Club

Faculty Coordinator:-Dr. Manisha Singh

Faculty Co-Coordinator:-Dr. Yogita Diwevedi

The Business Model Competition event is focused on entrepreneurship and business acumen.

Participants are given a failed startup and are required to develop a new business model for the company. The goal is to present a well-researched and innovative idea that has the potential to succeed in the market.

Registered participants can either work individually or in teams, and they are given time to research and create a PowerPoint presentation. They must then present their ideas in front of a panel of judges who evaluate the presentation, communication skills, and the feasibility of the proposed business model.

The competition is judged based on a set of criteria, including the potential market size, competition, revenue model, customer acquisition strategy, and overall feasibility.

The winner is selected based on their ability to create a convincing and viable business model that solves the problems faced by the failed startup.

This event provides a platform for aspiring entrepreneurs to showcase their skills and knowledge of the business world. It encourages participants to think critically and creatively to develop innovative solutions for real-world business problems.

Pitchers 1.0 is a pitching competition where participants were given the opportunity to pitch their services and products to a panel of judges. The competition was aimed at providing a platform for entrepreneurs and startups to showcase their ideas and to receive feedback and guidance. Participants were given a set of evaluation criteria, based on which the judges would make their decision. The evaluation criteria may have included aspects such as innovation, feasibility, potential for growth, and scalability.

PITCHERS 1.0

Organized by:- BIZ-WHIZ CLUB

Faculty Coordinator:-

Dr. Manisha Singh

Faculty Co-Coordinator:-

Dr. Yogita Diwevedi

It also provided a platform for networking and meeting potential investors and collaborators. After the pitches were presented, the judges evaluated the performances and announced the winner of the competition. The winner have received a prize, recognition, or an opportunity for further collaboration and support. Overall, Pitchers 1.0 was a great opportunity for aspiring entrepreneurs and startups to showcase their ideas, receive feedback, and network with like-minded individuals. The competition was a success due to the hard work and dedication of the organizers, judges, and participants who made it a memorable and valuable experience. Participants were expected to prepare a compelling and convincing pitch that would demonstrate the value of their product or service. The competition was an excellent opportunity for participants to receive feedback on their pitches and to improve their communication and presentation skills

GLAM VIT

Organized by:- Gujarati Club

Ms. Stylish: **Charitha Gadari**

Ms. Cool Janta: **Chetna Bhagwan**

The event featured an "Anime Trivia" competition, which aimed to test the participants' knowledge of their favorite anime shows, including popular titles such as Dragon Ball Z and Pokémon. The trivia questions were designed to be challenging yet engaging, and participants competed to answer as many questions as possible correctly.

The event provided an opportunity for students to come together, share their knowledge of anime culture, and build camaraderie through friendly competition

OTAKU MANIA

Organized by:-Anime Club

Faculty Coordinator:-Dr. Shweta Mukherjee

By participating in the event, students had the opportunity to learn more about anime culture and its various themes and values. After the trivia competition had concluded, the judges evaluated the participants' answers to determine the winner. The event was considered a success, as it allowed students to engage in a fun and educational activity while also promoting the values of camaraderie and equality. There were total 50 participants and all the participants participated individually

THE ARTRUN

Organized by:- Fine arts club

Faculty Coordinator:-Dr. Mamta Agrawal

Faculty Co-Coordinator:-Dr. Jyoti Badge

Faculty Co-Coordinator:-Dr. Arpita Baronia

The event started with a three-legged race, where teams demonstrated their teamwork and enthusiasm. They then participated in a drawing activity to showcase their perspectives. With cryptic instructions and riddles, they moved on to the next location where a coin-searching game was played. Nine coins were hidden, and each team was given 15 minutes to find the coins and submit one with the maximum value. The event ended with a blindfolded navigating game where the teams searched for the coins scattered on the floor. The involvement of the whole group made it the most enjoyable event of the day. Afterwards, the participants were led to the next venue where they painted masks with riddle references, displaying their creativity and wit.

Guest of event, Ms. Rakhi Pal, inspired the participants by addressing them. The finalists were presented with the final tasks, and after much deciphering, they ran for the room that contained the final treasure. Two teams, neck and neck, went straight for the treasure chest and were both rewarded for their amazing performances. The event concluded as a memorable and enjoyable moment for everyone. A total of 93 students participated and the winners were

In 1st place **Team artX** -Shishir Agarwal, Sk Sahil Islam ,Rushikesh Raut

Team Core -Aaryan singh rawat, Sneha kumawat, Shreya dagar

In 2nd place, **Team NaanKhatai** -Vatsal Agarwal, Ayush Porwal, Yashaswi Patel, 3rd place

Team Aerostrokes -Rishith, Shubharun Das, Aagam Jain

1. Parinati Gaur
2. Khushi Pandey

THE ASTREA

Organized by:--Anterix

Faculty Coordinators:- Dr. Prashant G K

Faculty Co-ordinator:- Dr. Soumitra K Nayak

The Astronomy Night event was an enlightening and exciting stargazing extravaganza, which began at the University Auditorium with a warm welcome by the faculty coordinator, Dr. Prashant GK & Dr. Soumitra Nayak. Participants were treated to a captivating talk by Mr. Alok from the Aryabhat organization, who introduced the basics of telescope and astronomy. The highlight of the evening was the screening of the documentary "Cosmic Collision," which gave the participants an immersive experience and sparked their curiosity about the mysteries of the cosmos. After the astronomical sunset at 7:00 pm, the participants were taken from the Auditorium to the area outside the University Lab complex and Underbelly Square. The sky was made to look clear and dark by turning off the street lights. Four telescopes were set up, and participants could marvel at celestial bodies such as Venus, Jupiter, Mars, the stunning Orion Nebula and M-45, and various other constellations, all highlighted using a green laser. Every participant was provided with a ticket, glow stick and badge as souvenirs. The Q&A session that followed further amplified the participants' understanding and allowed them to delve deeper into the subject. The event was highly informative and satisfying, leaving the participants with a newfound appreciation for the universe's wonders.

BATTLE OF WITS

Organized by:-

English Literacy Club

Faculty Coordinator:-Dr. Anita Yadav

The "Brain Games" event was a day-long mental stimulation challenge, where participants competed individually or in teams of two. The event consisted of two rounds, the first being a quiz round with tough and witty questions designed to test the participant's quick thinking abilities. The fastest-finger-first approach was used to determine the winner of the first round.

The second and final round of the event was called "Emotional Squares", where the participants were judged on their ability to interpret and convey a different set of dialogues in completely different or opposing emotions. The participants had to perform in front of the judges and the audience, who then chose the best performer as the winner of the event. Overall, the "Brain Games" event was an exciting and challenging experience that tested the participants' mental abilities and provided them with a chance to showcase their skills and creativity.

There were a total 27 participants among which there were 6 teams. The winner was Harish Sivakumar(20BCG10008)

Metamorphosis was a show by the magician Bharatkrishnan, organized by the Malayalam club of VIT Bhopal as part of the AdvITya '23 techno cultural fest. The event took place on the 9th of February at the auditorium and witnessed the presence of the Vice Chancellor of the college along with other dignitaries. The show showcased the mystic arts, starting with magic tricks based on pure sleight of hand and illusions, followed by demonstrations of ESP (extra sensory perception), paranormal sensations and psychokinesis.

MAGIC SHOW

Organized by:- Malayalam club
Faculty Coordinator:-Dr. Divya Haridas

The performance also included mentalism performances that showcased mind-reading abilities, as well as acts of juggling, escapism, and humor that kept the audience engaged. The entire performance was subject to live audience interaction.

"It is not a mere trick of language; the hand must be trained, the eyes must be trained, the tongue must be trained," this sentence summarized the skill and dedication required to present such a mesmerizing performance

BAND BAJA BOLLYWOOD

Organized by:-Drama Club
Faculty Coordinator:- Dr. Sumit Mittal

The Bollywood-themed event, aimed at Bollywood fans, was held on February 9th, 2023, at the auditorium. Participants were encouraged to dress up as their favorite Bollywood character and choose their backing track to walk on stage. Some participants even incorporated their characters dialogues and dance moves into their performances.

A gala event organized to experience what it actually feels like to have different access under one roof and see them letting out their characters with utmost authenticity and brilliance.

Participants were encouraged to not only dress up as their favourite characters but also imitate their passion and enjoy themselves while doing so.

Right from 'chota pandit of Bhool Bhulaiya' to 'Gangubai Kathiawadi', each and every performance was so brilliant that many of them were even called on stage to perform again. Overall the event was a huge success.

THE DARPAN FESTIVAL

Organized by:-Drama Club
Faculty Coordinator:- Dr. Sumit Mittal

Darpan is a stage play that invites the audience to explore their emotions and understand themselves better. The play delves into the complex range of emotions that exist within us, some of which are easily accepted while others are buried deep within. At the

playground for emotions, the audience is encouraged to test the untested and embrace discomfort with the sole purpose of gaining a deeper understanding of themselves.

The play continues the story where Shakespeare left it and the act where Marlon Brando left it, taking the audience on a journey of self-discovery and exploration. Through the power of storytelling, the play creates a unique and engaging experience for the audience, challenging them to confront their innermost thoughts and emotions..

Overall, Darpan is a thought-provoking and engaging stage play that encourages the audience to embrace their emotions and explore their true selves. It is a powerful reminder of the importance of self-discovery and the transformative impact it can have on our lives

On February 8th, 2023, the VIT Bhopal Marathi Club held a cultural event in front of Underbelly from 2:00 pm to 04:00 pm. The event began with a deity pooja and progressed to a cultural dance performance that paid tribute to Chhatrapati Shivaji Maharaj. The highlight of the event was the Dhol-Tasha performance, which continued until the allotted time.

Organized by:- Marathi club
Faculty Coordinator:-Dr. Manisha Jain

DHOL TASHA

The Marathi Club's efforts in organizing this event were evident, as they created a vibrant and engaging atmosphere that was enjoyed by all who attended. Overall, the event was a celebration of Maharashtra's vibrant culture and the legacy of Chhatrapati Shivaji Maharaj,ji.

LASER SHOW

Organized by:- Tamil Club

Dr. G.L Balaji

Dr. Benevatho Jason,

During the Aadhav 2023, 2000+ students of VIT Bhopal University have witnessed a wonderful and very engaging Laser light show as a part of Advitya 2023, The show involved the use of laser light to entertain the audience.

A laser light show consisted of projected laser beams set to music, The Centre piece of show was depiction of 'life of an engineer' expectations v/s realty followed by visuals of many famous historical monuments and some famous artist like Rajnikant along with visuals of our honorable chancellor Dr. G Vishwanathan. Audiences enjoyed a lot during the event and also got an idea about how lasers can turn you up so perfectly.

GAMES MELA

Organized by:- Telugu Club
Faculty Coordinator:- Dr. GL Balaji

It was an offline event and more than 80 participants participated in the event.

VALEDICTORY CEREMONY

It gives us immense pleasure to bid adieu to this wonderful fest, which was filled with moments of joy, learning, and inspiration. The fest commenced with the soul-stirring Tamil Thai Valthu, which was followed by a warm welcome address by our Director of Student Welfare **Dr. J George Chellin Chandran**, setting the tone for the ending. We were then privileged to witness the felicitation of our esteemed Vice-Chancellor **Dr. U. Kamachi Mudali**, by our gracious General Secretary Mr. Pranjali Mohan Pandey, followed by the felicitation of our Pro Vice-Chancellor **Dr. A. Senthil Kumar** by our esteemed Cultural Secretary Mr. Argish Abhangi, and our Registrar **Dr. Pradyumna Yadav** by our Joint Secretary Mr. Sahil Chaudhary. These honours serve as a testament to their dedication and service to our institution and were a fitting tribute to their tireless efforts in advancing the institution's mission.

The day's proceedings were further enriched by the enlightening speeches by our Vice-Chancellor and Registrar. Their words of wisdom and insight left us with much to ponder and reflect upon.

We were also honoured to receive the Advitya'23 event report by Assistant Director of student welfare **Dr. Anant Kant Shukla**, which was both informative and inspiring followed by the touch of excitement prize distribution for the Rock-a-Blast where the winners being felicitated for their outstanding performance. Finally, At last our heartfelt gratitude to **Dr. Manisha Singh** Assistant Director of student welfare, for delivering the Vote of Thanks, and to all our distinguished guests, participants, and volunteers, for making this fest a resounding success. As we bring this eventful day to a close, the event was filled with moments of pride, inspiration and learning with the memories of this remarkable experience, and inspire us to reach greater heights in all our endeavours, and use it to fuel our passion for excellence and learning.

Dr. G.L Balaji

Dr. Benevatho Jason

Non-technical event conducted under the name Aadhav'23 where We had a Bomaby Bandoob band performance for the whole eve. Audiences enjoyed a lot during the event.

BOMBAY BANDOOK CONCERT

Organized by:- Tamil Club

The event was full of joy and dived into the melody of the famous band. The audience were enjoying the most. Overall, no such festive event is complete without music that brings life in us.

Dr. Yogesh Shukla

The VIT Bhopal Dance Club held an event as part of the AdVITya'23 fest, which showcased various Indian dance forms and cultural heritage. The event was led by the club's core members who presented nine group performances. The first half of the performance showcased fusion dance styles from different Indian states, including Maharashtra, Andhra Pradesh, Karnataka, Malayalam, Rajasthan, and Punjab, among others.

The second half had a reunion theme, and the team presented famous Bollywood songs in the form of classical dance styles like Kathak and Bharatnatyam. The finale showcased different emotions that are part of everyday life, such as happiness, sadness, and love. The event lasted three hours and took place on the campus' football field, with four anchors hosting the event. Overall, the event was a beautiful depiction of Indian culture and heritage through dance forms.

THE DANCE TOUR

Organized by:- Dance Club

THE PRO SHOW WITH
SHIRLEY SETIA

The VIT Bhopal University was blessed with the performance of very magistic and talented singing artist Shirley Setia on the evening of 10th Febraury 2023. She won the hearts of all college listeners. They were able to recreate through their instruments the pieces constructed in each composer's mind.

Each piece was played elaborately and beautifully. We believe that anyone listening who had never shown any interest in instrumental music would most likely change their minds after that evening.

The most moving and captivation feature of the concert was the well-blended tones that they so eloquently weave. Each piece flowed and moved every listener on the venue. The entire concert was very riveting.

She sang many songs from different Indian movies and albums and she presented her superb performance in this concert. It was a memorable day for the university.
