# OUR LEGACY

## DR. G VISWANATHAN

FOUNDER - CHANCELLOR OF VIT UNIVERSITY

Born on 8 December 1938 in a remote village in the south Indian state of Tamil Nadu. He served as a Member of Parliament and as a Member of the Legislative Assembly of Tamil Nadu.

The VIT legacy, which started from Vellore Engineering College 35 years ago to four Universities in India, today, is a result of constant efforts to impart high quality of education. The Govt. of India has recognized VIT as No. 1 Private Institution for Innovation, ARIIA 2019, and the recent recognition, as an Institution of Eminence, has paved a way to focus more on research with international collaborations to move up in the global ranking and contribute in the capacity building of our nation.

## VISION

We at VIT University will impart futuristic technical education and instill high patterns of discipline through our dedicated staff, who shall set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

## MISSION

Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so that they become enlightened individuals, improving the living standards of their families, industry and society. We will provide individual attention, world-class quality education and take care of character building.

# DEEPOTSAVA

On November 6th, 2023, Meraki, the fine arts club, orchestrated an enchanting event, "Deepotsav," to commemorate Diwali. This event was designed to kindle the participants' artistic passions through an engaging decorative craft workshop. The festivities took place near the back gate of the Auditorium, attracting a diverse audience of art enthusiasts eager to immerse themselves in a world of creative expression.

## HIGHLIGHTS

- **Artistic Expression:** Participants adorned diyas and crafted wall hangings, infusing each creation with their unique artistic touch.
- **Community Bonding:** A photobooth captured cherished moments, while faculty coordinators expressed gratitude to volunteers with sweets and cake, fostering a sense of camaraderie.
- **Cultural Immersion:** Deepotsav not only celebrated Diwali but also provided a meaningful stress-reliever for students, offering a taste of home away from home.

"Deepotsav" radiated with the glow of creativity and community spirit, leaving participants enriched with newfound artistic perspectives and cherished memories of a festive celebration like no other.

# BRAIN BYTES

VIT Bhopal organised a notion-sponsored event, "Brain Bytes: Ultimate Trivia Challenge, on November 24, 2023, which flawlessly integrated learning and competitive spirit. Following a tough online quiz, 40 participants were chosen from a pool of 300 candidates, diving into issues such as entrepreneurship, technology, and artificial intelligence. A live 60-question quiz, a leaderboard reveal, and hands-on exploration of 100+ AI tools and 500+ ChatGPT prompts were all part of the main event. The use of Mentimeter in a live quiz added a competitive edge. Top scorers won cash rewards as well as Notion swag. The seminar closed with participatory activities and refreshments that left an indelible impression on attendees, encouraging curiosity and skill growth. Ashes Nanda, Vidhan Gupta, and Chakit Sharma were among the winners.

# TALENT SHOW- II

## EVENT OVERVIEW

VIT Bhopal University's 24th November Talent Show celebrated freshmen's talents with dance, singing, drama, and public speaking. The collaborative effort of students, faculty, and the student council drew substantial attendance. Distinguished judges assessed performances across various genres, and awards were presented by Dr. Manisha Singh and Dr. Anant Kant Shukla. The event showcased the institution's commitment to nurturing creativity and providing a platform for student excellence.

## ACHIEVERS:

### Music:

1. Saarthak Joshi
2. Harsh Chitransh
3. MV Mukundan

### Public Speaking and Poetry:

1. Dhir Bajaj

### Dance:

1. Riya VP
2. Ayushi Gupta
3. Palak Mehra

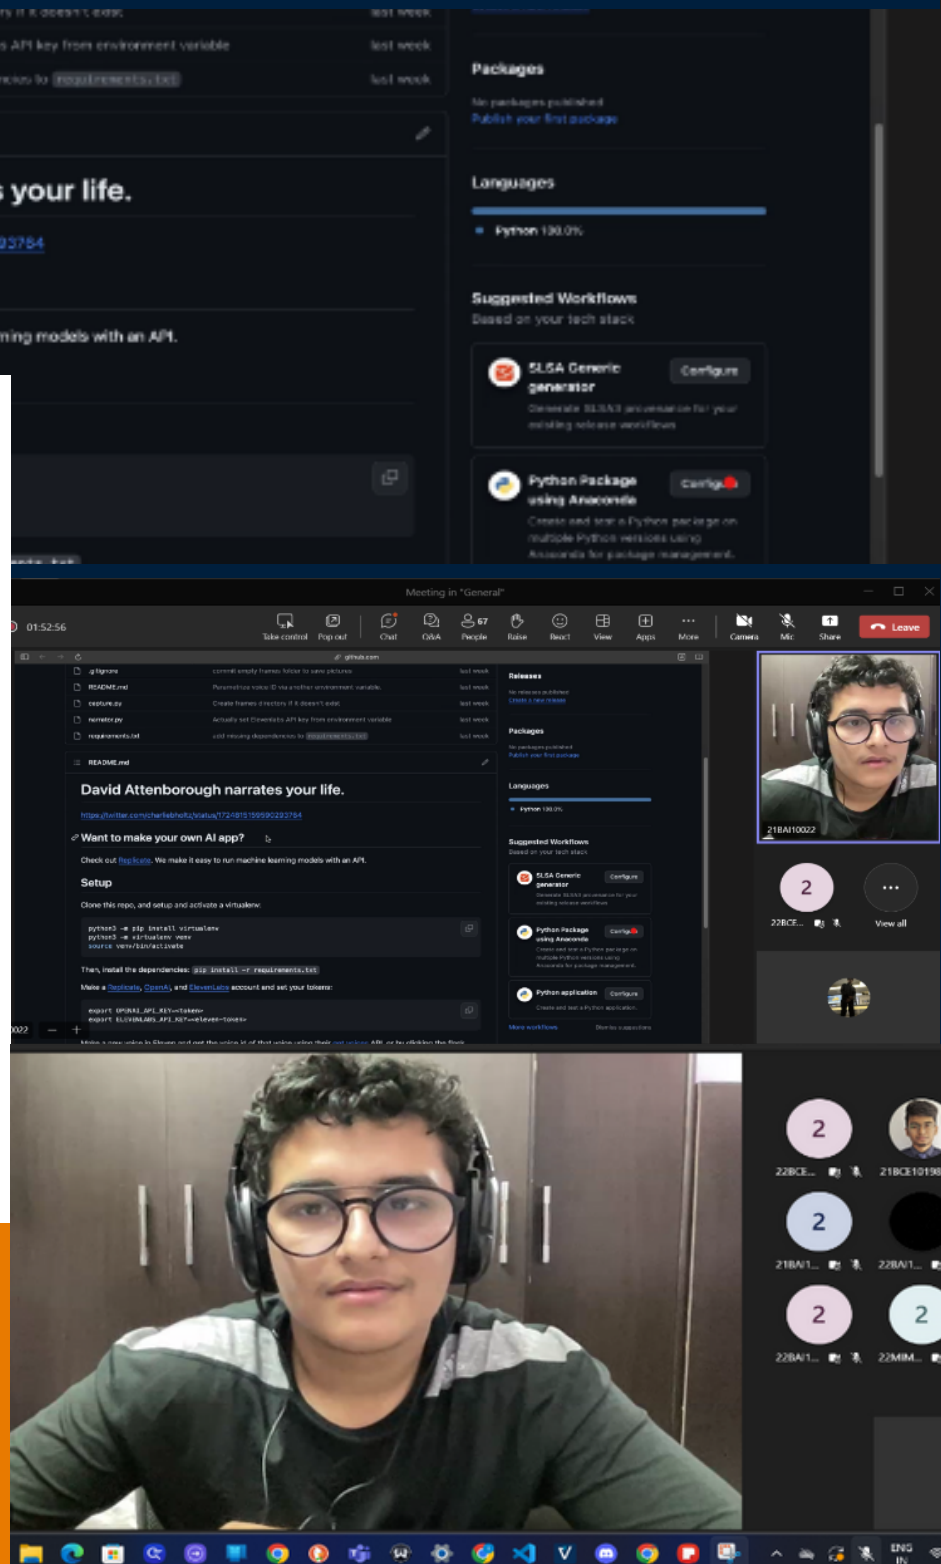

# GENESIS : WORKSHOP & PODCAST

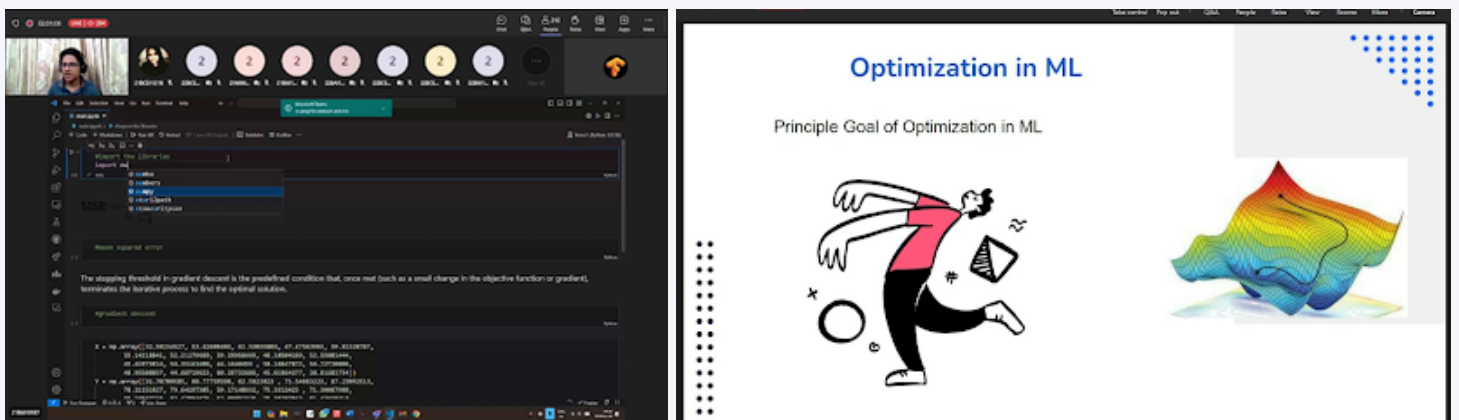

Genesis, a two-day virtual event, included a podcast session and an online workshop. Its goal was to extend participants' perspectives by covering topics such as prompt engineering with LLMs, NLP exploration, and insights into successful projects and future international endeavors.

On November 24, 2023, the initial day focused on "NLP and LLMs with prompt engineering," led by Rishit Chugh, delving into the fascinating domain of natural language processing.

On the second day, November 25, 2023, a podcast hosted by Mr. Kumar Prakhar, a university alumnus, discussed projects and worldwide chances. These thought-provoking lectures were a fantastic resource for pre-final and second-year students, providing information and networking opportunities at no cost

# DATA SCIENCE NIGHTS

Data Science Club VIT BHOPAL UNIVERSITY, is a student-led club aiming to encourage students' interest in Data Science as a subject of study and as a potential career path, and has organized an amazing event- "Data Science Nights".

Data Science Nights was an exciting event held on November 25, 2023, in online mode, via Microsoft Teams, by the Data Science Club at VIT Bhopal for students in any field, regardless of their branch.

Club members and academic coordinators worked together to comprehensively plan the event. The session was conducted by 4 technical team member of Data Science Club.

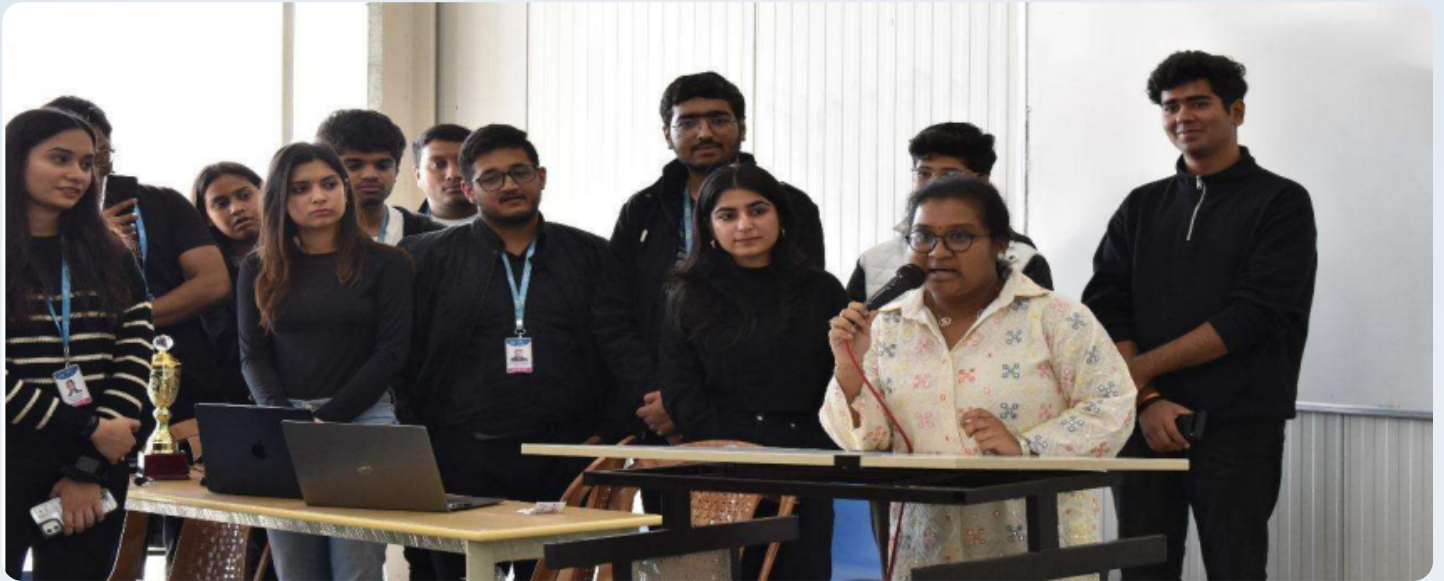

They gave an insightful session on Mathematics for Data Science in which they discussed in depth about optimization mathematical theory, type of optimization, detailed discussion of gradient descent optimization technique and followed by a live coding implementation of gradient descent using python programming language.

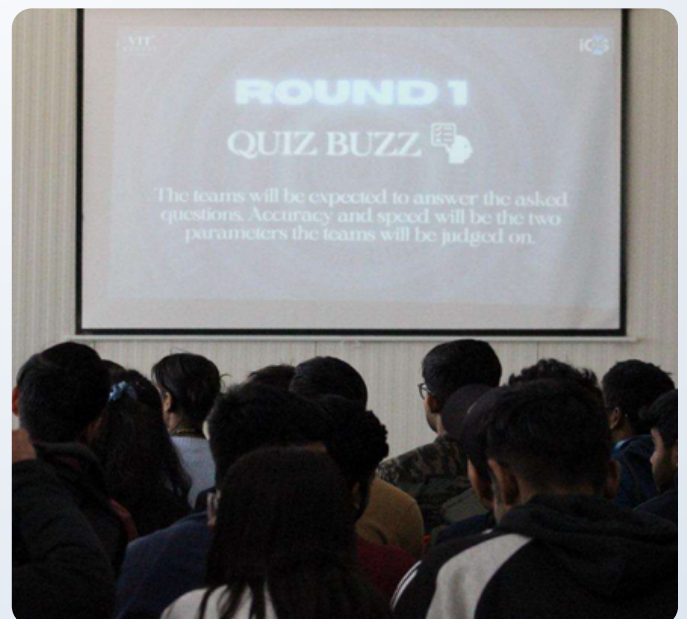

Hustle'23, a quiz competition held on December 13th, 2023, at VIT Bhopal University, focused on AI, technology, and startups. It aimed to test and expand students' knowledge in emerging tech domains, with Notion as proud sponsors. Registrations began a day prior through email invites to all students. The event commenced with a warm welcome and inspiring address by faculty coordinators, followed by an informative session about the Notion app and relevant technologies. Participants engaged in a quiz via the Mentimeter app, featuring 30 MCQ questions on AI, technology, and startups. Winners Chinmaya Thakral, Pihu Jain, and Piyush Bhatti were announced after the quiz, and the event concluded with a music concert and interactive games, fostering teamwork and skill enhancement.

The iOS Club of VIT Bhopal University hosted TechAstra 23, an exhilarating techno-event comprising competitions to bolster participants' knowledge. Split into two sessions, Session 1 featured QuizBuzz and Minute-To-Win-It, while Session 2 showcased Clash Of Claims and Visual Voyage. Respected AVP Ma'am, **Ms. Kadhambari S. Viswanathan** graced the event with her insightful thoughts. The event commenced with the ceremonial lighting of the lamp, followed by a captivating dance performance by the 2023 batch of students, enriching the experience with both intellectual stimulation and artistic flair.

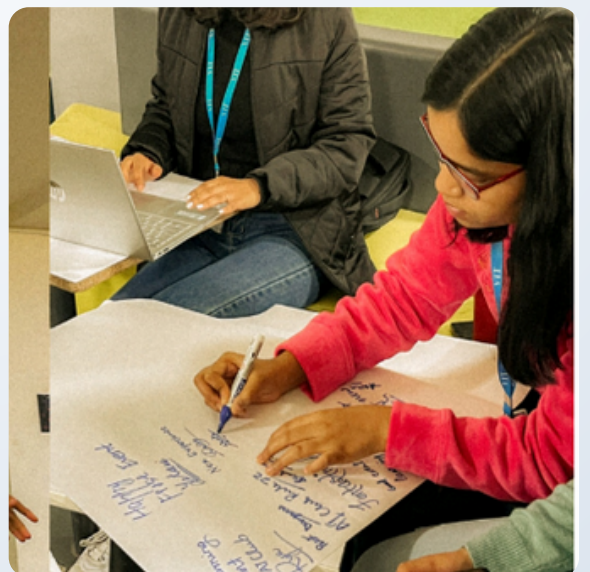

VisTerra: A one-day offline event featured a hands-on workshop on Yolov8, a CNN-based architecture model. Led by students Kshitij Dalvi, Punit Kaushik, and Sarfaraj Ansari, the 4-hour session focused on data handling, model development, and deployment using Streamlit. Participants mastered the Human Detection System and learned about GitHub model sharing intricacies.

Winners:

- Chitransh Soral (23BAI10312)
- Aditya Gupta (23BAI10032)
- Shivam Shrivastava (22BHI10112)

Bug Bonanza, a three-day hybrid event, commenced with an online Aptitude Round on UnStop, assessing teams' problem-solving abilities. Top 35 teams progressed to the Coding Challenge at LC-207, where they demonstrated programming proficiency. The final round, a Treasure Hunt, engaged the top 10 teams in decoding clues using coding skills to locate a concealed QR code on campus. Using remote server file-based searching, teams aimed to crack the code at the final destination. Team Matrix emerged victorious, comprising Anusheel Soni, Rushabh Wagh, and Shishir Mukherjee.

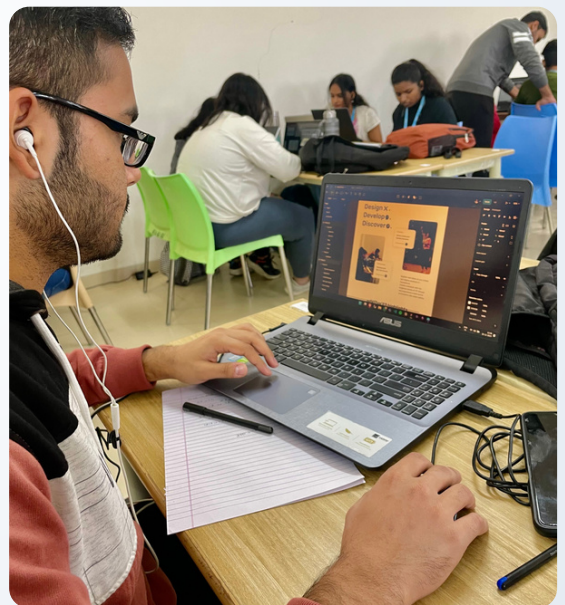

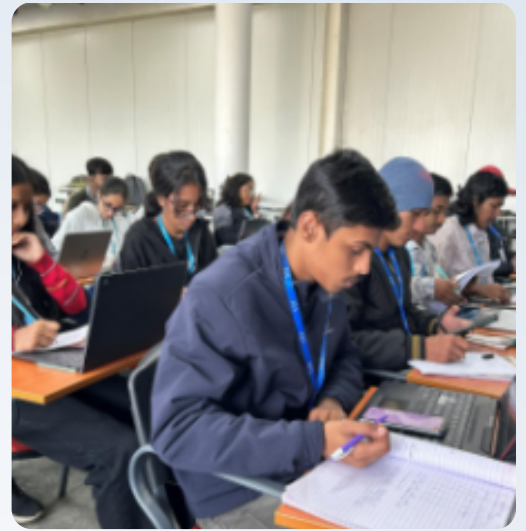

The Meraki Fine Arts Club hosted "UXquisite," a UI/UX Hackathon on December 18th.

The event focused on crafting innovative designs for the ADVITYA College Fest Website. Each page, from Home/Landing to Contact Us, became a canvas for creativity, showcasing technical finesse and aesthetic beauty. The Gallery Page captured the essence of past ADVITYA fests, while the Contact Us Page emphasized user-centric clarity.

UXquisite not only highlighted design prowess but also fostered collaboration and inspiration within the design community. Its success sets the stage for future events, promising continued elevation and inspiration in the field of design.

Kascade: Online quiz before Kshitij 2023 at IIT Kharagpur. Held on Dec 19, 2023, via Unstop platform. Four quiz types: Anadigix, Source Code, Math Olympiad, Enigma. Registrations day prior via email. Event started with speeches by students and faculty, IIT Kharagpur's overview. Competitive rounds on Unstop platform. Conclusion: Participants praised, gateway to Kshitij Techfest, future talent showcased. Organizers thankful for smooth execution.

The collaboration between our university and Techkriti IIT Kanpur culminated in a dynamic two-day workshop event focusing on the domains of Artificial Intelligence (AI) and Robotics. Held on December 20th and 21st, the event drew the participation of 208 eager learners, keen on exploring the frontiers of technology in these exciting fields.

The event commenced with great anticipation as participants gathered in the auditorium, buzzing with excitement for the day ahead. Mr. Prateek Mishra, an esteemed trainer from Techkriti IIT Kanpur, led the session with his expertise in robotics. With a blend of theory and hands-on activities, Mr. Mishra captivated the audience, unraveling the intricacies of robotics in a captivating manner.

The Ekfraseis Dramatics Society recently organized an engaging and interactive session aimed at fostering connections with juniors and providing them with insights into the club's activities and timeline. This event served as an opportunity for juniors to learn more about the society and have their queries addressed by experienced members. The interactive session commenced with a warm welcome from the organizing committee, followed by an overview of the Ekfraseis Dramatics Society journey and accomplishments over the years. Experienced members of the society shared their personal experiences and insights, shedding light on the various aspects of drama and theater.
