

## RAMAN RESEARCH AWARD

### **New guidelines with effect from 1 September, 2024**

- Research Scholars (both full time and part-time) are eligible to claim till the submission of thesis.
- As it is mandatory to publish two papers (SCI/SCIE) for the research scholars to submit their thesis, they can claim Raman Research award for papers other than these two mandatory papers.
- UG & PG students are eligible for this award till their degree completion (Provisional certificate).
- The scholar/student has to be the first author and the guide has to be corresponding author.
- It will also be ascertained that the paper is indexed in Scopus database.
- Review papers published only in SCI/SCIE Journals will be considered.
- For the external part-time research scholars, this scheme will be in force till 31<sup>st</sup> August 2025.

#### **1. Reward:**

Under this scheme, the scholars/UG/PG students will get an incentive for each of their publications and the details of which are given below:

<b>Sl. No.</b>	<b>Category</b>	<b>Incentive amount (Rs.)</b>
