# OUR LEGACY

## DR. G VISWANATHAN FOUNDER-CHANCELLOR OF VIT UNIVERSITY

Born on 8 December 1938 in a remote village in the south Indian state of Tamil Nadu. He served as a Member of Parliament and as a Member of the Legislative Assembly of Tamil Nadu.

The VIT legacy, which started from Vellore Engineering College 35 years ago to four Universities in India, today, is a result of constant efforts to impart high quality of education. The Govt. of India has recognized VIT as No. 1 Private Institution for Innovation, ARIA 2019, and the recent recognition, as an Institution of Eminence, has paved a way to focus more on research with international collaborations to move up in the global ranking and contribute in the capacity building of our nation.

## MISSION

Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so that they become enlightened individuals, improving the living standards of their families, industry and society. We will provide individual attention, world-class quality education and take care of character building.

## VISION

We at VIT University will impart futuristic technical education and instill high patterns of discipline through our dedicated staff, who shall set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.
